## **Formenti receives P.E.O. PCE Grant**

Amy Formenti, of Valparaiso, is the recipient of the P.E.O. Program for Continuing Education grant, one of five projects sponsored by the Philanthropic Educational Organization. Formenti, who completed an Associates Degree in General Studies from Brigham Young University in 1996, interrupted her education for 14 years to raise her three sons. She has been accepted into the Dental Assisting program at Indiana University Northwest and will use the \$3,000 grant for education-related expenses. Candidates for the PCE scholarship must have had at least a 24-month break in their education and be within 24 months of completing their program.
